RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

Sir:

REMARKS

This response is submitted in response to the Notification of Missing Requirements under 35 U.S.C. § 371 mailed on April 7, 2006 ("Notification"). The Notification alleges that the text of the drawings has not been properly translated. A copy of the Notification is enclosed herewith.

Applicants believe that the Notification is improper. On November 18, 2005, Applicants submitted 16 sheets of formal drawings translated in the English language. This is evidenced by the date-stamped postcard from the United States Patent and Trademark Office regarding same, a copy of which is attached herewith. In any event, and in the spirit of cooperation, Applicants are again submitting the English translation of the drawings in formal as 16 sheets including Figures 1-17. Therefore, Applicants believe that the Notification should be withdrawn, and further that Applicants should not be required to make any payments directed to fees associated with same.

The Commissioner is hereby authorized to charge deposit account 02-1818 for any fees which are due and owing.

Respectfully submitted,

BELL, BOYD & LLOYD LLC
